Memories . . .
pressed between the pages of my mind . . .

Memories . . .

Sweetened Through The Ages

Just

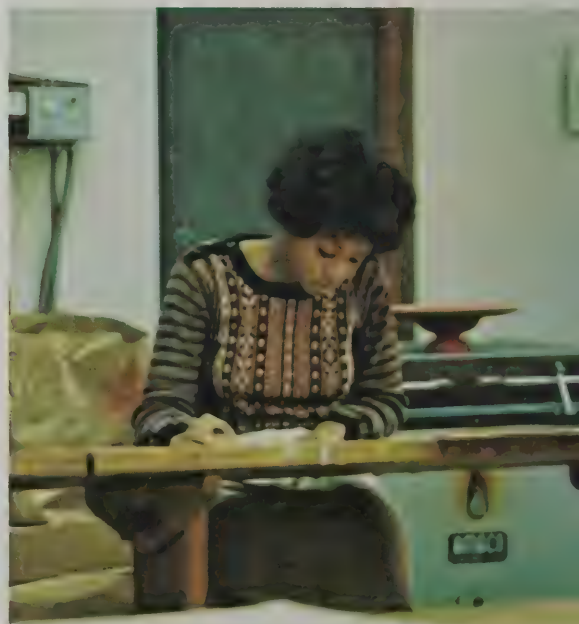

Like

Wine

Like . . .

golden autumn leaves

around your feet

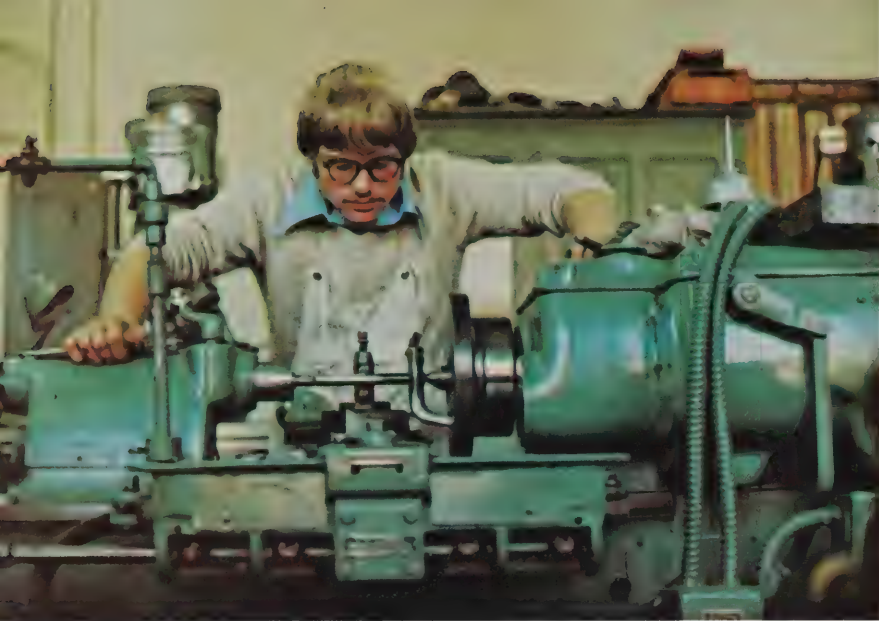

Faded Photographs . . .

covered now
with lines
and creases

Tickets

torn in half . . .

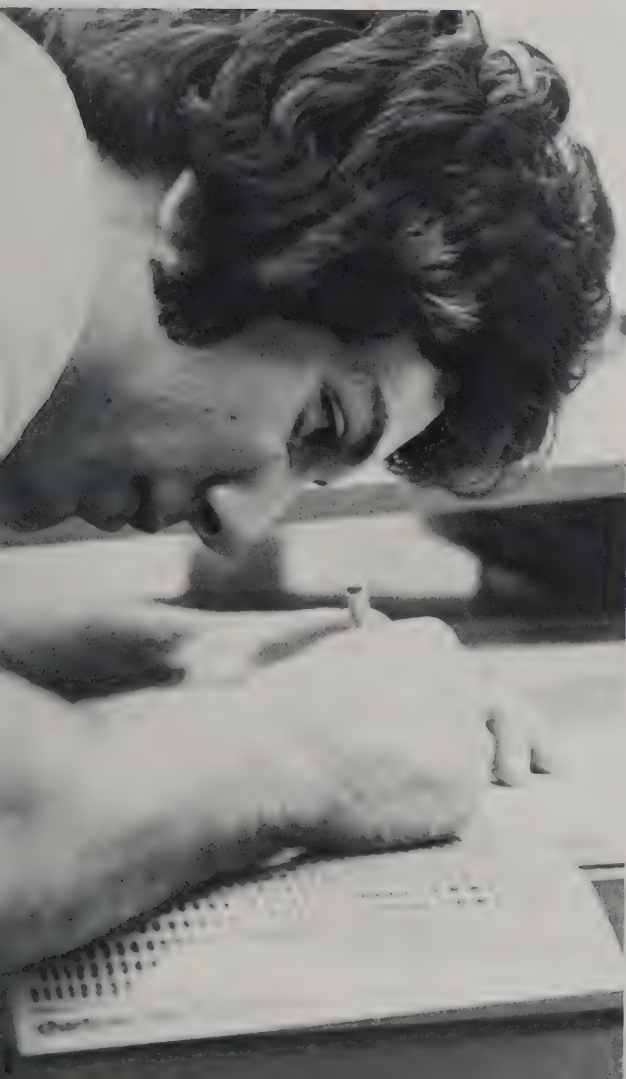

Memories in
bits and pieces

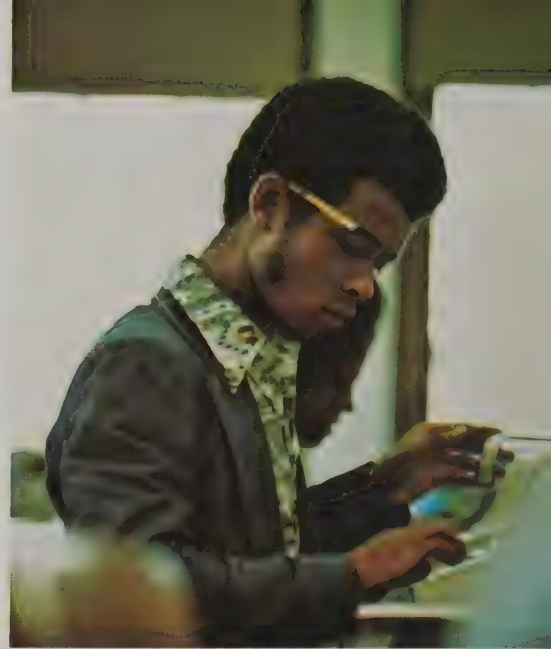

We'll close our eyes . . .
say a prayer . . .

that in our hearts . . .
we'll find . . .
a trace . . .

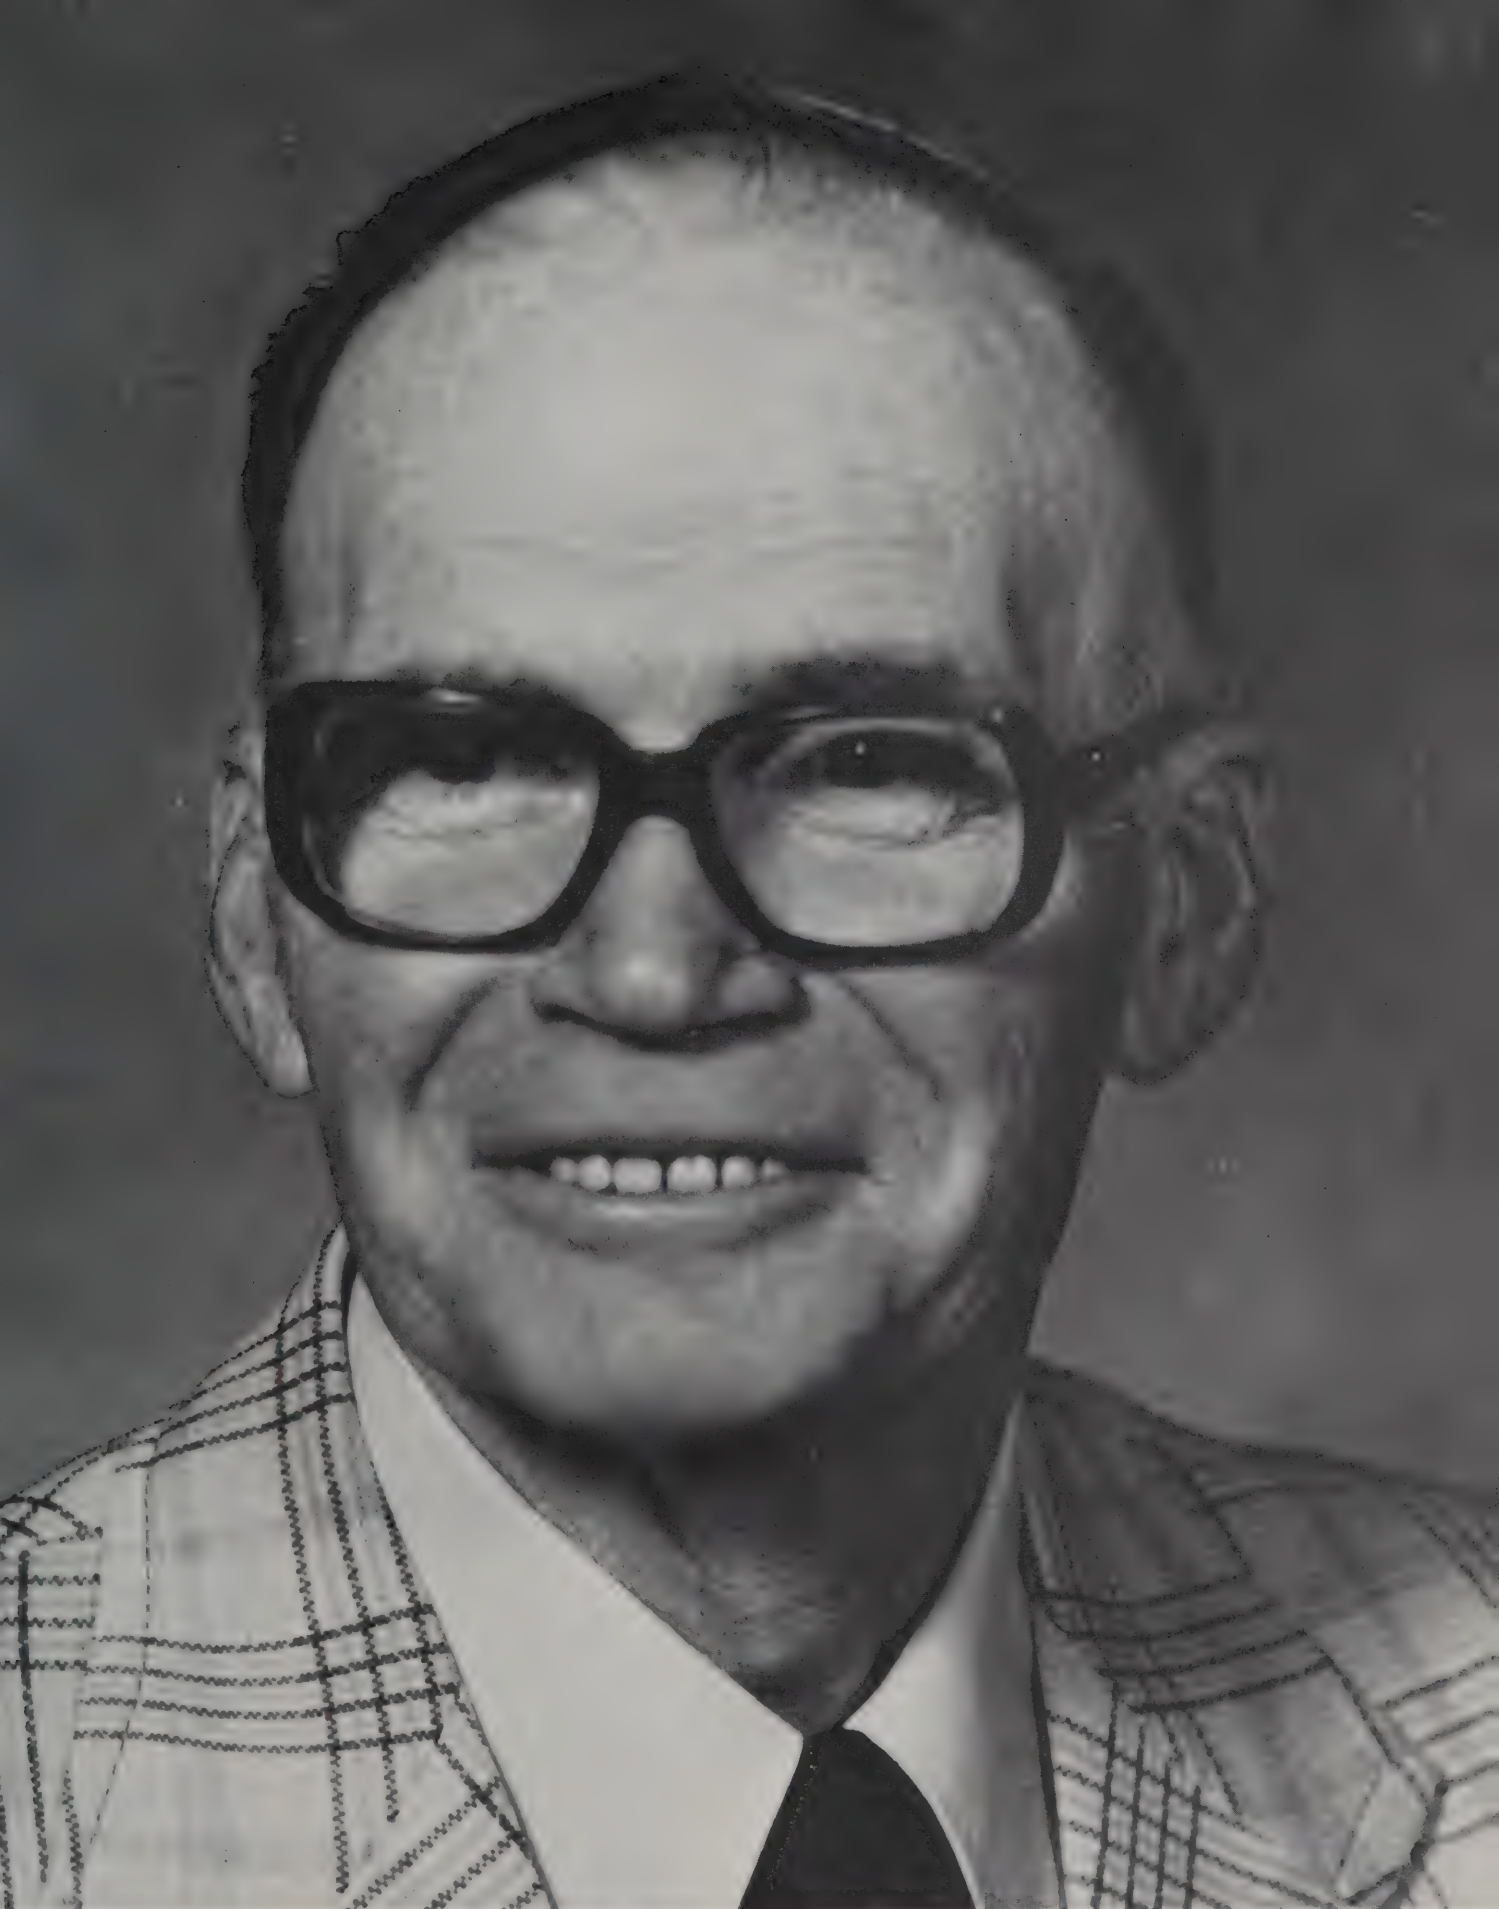

of them still there . . .

. . . somewhere . . .

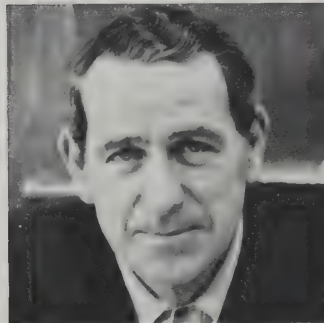

The Graduating Class of 1977 proudly dedicates
this book to Mr. John Loiko for 27 outstanding
years of service to Technical High School
We express our thanks . . .

In the Coast Guard, "good work" is a good job well done. Helping yourself while you help save lives and property, keeping our seacoasts and waterways free of pollution, and free of accidents.

For you it can mean a recession-proof paycheck, starting at \$374 a month with your first raise right after boot camp. It also means free housing, food, clothing, medical and dental care. And 30-days of paid vacation every year.

We'll give you valuable career training, too. And even help you continue your formal education.

If you're between 17 and 26, and thinking about a future with the Coast Guard, contact your local recruiter.

Help yourself while you help others.

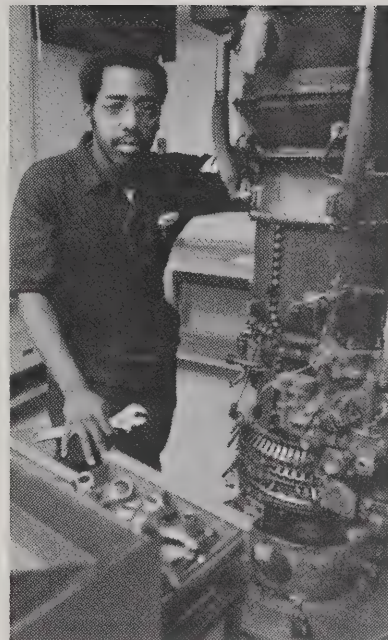

THE COAST GUARD: GOOD WORK.

Army jobs now:

If you're 17 and looking for a good job, now's a good time to look into the Army. From electronics to construction, from cooks to combat arms, the Army today has more good jobs to fill than anyone.

\$374 a month to start

Army pay is better than ever. And with meals and lodging provided, and free medical and dental care, you'll be surprised how far that pay will go.

Job-training courses

Ever wonder where to get that "experience necessary" the classified ads always ask for? A good place is the Army. With many job-training courses, the Army can teach you skills you'll be glad to have later on.

Educational opportunities

Whether it's finishing high school or earning college credits, being in the Army can help you.

Travel opportunities

Joining the Army can mean a chance to work and live in Europe, Alaska, Hawaii, Korea, Panama or almost anywhere in the continental U.S.

Join now, go later

You can do just that—join now and report up to twelve months later—with the Army's special Delayed Entry Program. A terrific option for high school seniors and others with unfinished business ahead of them.

First come, first serve.

To find out which jobs are open, and to have the best chance of getting the one you want, call me now.
